21	Councillors Reports Each Cllr is requested to use this opportunity to report minor matters of information not included elsewhere on the agenda and to raise items for future agendas. Cllrs are respectfully reminded that this is not an opportunity for debate or decision making.	15 min	
22.	To note that the next council meeting will be on 25 October 2018	1 min	
	Signed: <i>Christine Adams</i> Parish Clerk Duddon Parish Council		

Draft Minutes July 2018

DUDDON PARISH COUNCIL

Minutes of the meeting held on Thursday 26 July 2018 in the Rankin Room Victory Hall, Broughton-in-Furness

Present Cllr G Albion, Cllr J Curwen, Cllr C Edmondson, Cllr V Glessal, Cllr E Knowles and Cllr G Pitts

141/18 Apologies

Resolved to accept apologies from Cllr A Downe, Cllr J Johnson, Cllr I Longworth and Cllr J Sayers.

142/18 Requests for Dispensations

Resolved to note that there were no requests for dispensations.

143/18 Declaration of Interests

Resolved to note that there were no declaration of interests.

144/18 To consider if there are any items on the agenda from which the press and public should be excluded.

Resolved that no items are to be discussed in private.

145/18 Minutes

Resolved that the minutes of the meeting held on Thursday 28 June 2018 be signed by the chair as a true record with the following amendment:
Minute number 132/18 – The privacy policy was not adopted.

146/18 Chairs Announcements

Charter day is on 1st August 2018. Tonight's meeting will be closing at 9.30pm and Cllrs are reminded to check that their declaration of interest forms are up to date.

147/18 Public Participation.

- a) Police – The police were not in attendance
- b) The County Cllr was in attendance. He reported that signs should be appearing soon regarding the resurfacing of Station Road. There will be a meeting on 2 August 2018 regarding the 20mph in Broughton. Raised concern about parking in Broughton on a bend on Foxfield Road and various other locations. Raised concern about the overgrown vegetation on Foxfield Road. He is going to ask representatives from CCC To have a walk around Broughton. He also reported that Duddon Bridge is on the list for infrastructure recovery. Concern was raised regarding visibility at Duddon Bridge as the vegetation needs cutting back. Concerned about road signs which have faded and litter on roads both of which have been reported. He will also look into having a new sign on Foxfield Road to help avoid confusion with post codes for emergency services.
- c) No district Councillors were in attendance but an update on Customer Connect (digital services had been sent to the clerk)
- d) A member of the public was in attendance and raised concern about a Cattle Grid which had been replaced but was a different grid. Sheep can walk across the first few bars and then can jump the rest. The grid is not fit for purpose. The grid needs to be replaced and County Cllr Brereton will look into this.

- 148/18 Wilson Park**
Consideration was given to doing a survey for Wilson Park to find out what changes people would like to see in the park if any. **Resolved** that Cllr Knowles and the clerk will compose a survey.
- 149/18 Parish Council Suggestions from the public**
Cllr Knowles asked the council to consider different ways for the public to make suggestions to the public in addition to the surgeries. **Resolved** that in addition to the surgeries there will be a suggestion box in the information centre. The Council will also have a face book page.
- 150/18 Housing in the Local Area**
Cllr Pitts raised concern about the housing problem and the footfall falling in Broughton. He suggested perhaps doing a survey with the public to consider where new housing might go. Perhaps form a policy to see if it generates any interest.
- 151/18 Review of National Parks and PCCG Items.**
Cllr Pitts talked about the article in the paper regarding the review of National Parks. and the possibility of extending them to celebrate the 70th anniversary of them. Cllr Pitts will contact other Parish Councils. Community views are needed. This needs to be investigated further. Friends of the Lake District will do the technical work. PCCG will sponsor 1 meeting in September regarding this but are unlikely to take it any further as it will involve different parishes.
- 152/18 Strimmer**
Consideration was given to the repairs that the strimmer is in need of. **Resolved** that Cllr Albion will arrange for the repairs to be done.
- 153/18 Donkey Rocks**
Consideration was given to a wall which had fallen down at Donkey Rocks. **Resolved** that Cllr Albion will get some quotes for it to be repaired and the clerk will check to see if we can claim on the insurance to get it repaired.
- 154/18 The Mosses**
Cllr Curwen raised concern about the state of the mosses. County won't clean the ditches out. 30/40 big red deer are coming and wrecking fences. A man sits at the top of a hill and with a rifle and shoots dogs when they are let off lead.
- 155/18 Victory Hall**
Cllr Knowles advised that the AGM will be on 30 August 2018. Quotes are still being sort for the roof repairs.
- 156/18 Community Led Plan**
Cllr Pitts advised that the handbook has been finalised and will be going to the printers this week.
- 157/18 Progress Reports from the Clerk**
- a) **Public toilets** – Healthmatic are looking for a new cleaner, Honsety boxes in Gents was full but could not be emptied as the soap dispenser was stopping the box from being opened after the refurbished.
 - b) **PSPO** – Still waiting for a decision from SLDC.
 - c) **NCCZ in Church Street** – No update available.
 - d) **Electric Charging Points** – should be in place by the end of August.
 - e) **Land at Foxfield** – No update, waiting for SLDC.

- 158/18 Parish Lengths Man.**
Resolved to ask the Parish Lengths man to tidy up the bus shelters and to cut the bushes Back on Foxfield Road.
- 159/18 Training**
Resolved that the training in August will be the Effective Cllr module 1.
- 160/18 Planning Group.**
Resolved that the group will check for planning applications and will ring Joss to advise if there are any applications. The group can make decisions on the smaller applications. The clerk was given delegated authority to submit those decisions to the authorities. Any decisions made will be reported to the Council at the next full Council meeting. Any larger applications will be on the full council meeting agenda.
- 161/18 Planning Applications (Planning applications can be viewed on the relevant authority's website)**
Notice of Grant of planning permission
 7/2018/5290 – High Kiln Bank, Ulpha, Broughton-in-Furness LA20 6EB
 7/2018/5167 – Field of unclassified Road, Woodland Broughton-in-Furness
 7/2018/5242 – Knott End Farm, Broughton Mills LA20 6AZ
 7/2019/5253 – Crosby Cottage, Station Road, Broughton-in-Furness LA20 6HN
 7/2018/5215 – 3 Broom Close, Broughton-in-Furness LA20 6JG
 7/2018/5287 – Far Kiln Bank, Ulpha, Broughton-in-Furness LA20 6EB
Appeal
 SL/2017/0687 - Kirkby Moor Wind Farm
 Variation of condition No. 6 attached to planning permission 5/90/2312 (erection of 15 wind turbines and construction of access ways) to vary the temporary time condition to allow retention of wind turbines until March 2027, followed by 1 year to carry out decommissioning works.
Letter
 7/2018/5324 – Woodhouse, Broughton-in-Furness LA20 6AT
- 162/18 Parish Council Computer**
Resolved that the clerk can purchase a new computer for the Parish Council as the old 1 is very old and many features no longer work.
- 163/18 Financial Matters**
Resolved that the following Direct Debits, Standing Orders be paid:
- | | |
|----------------------------|-----------------|
| Healthmatic | 321.66 |
| E-on | 78.84 |
| SLDC | 162.79 |
| Hawthwaite Garden Services | 480.00 |
| HMRC | 58.00 |
| Salaries | 250.00 |
| Expenses | 94.51 |
| | <u>£1445.80</u> |
- 164/18 Correspondence**
 To note items of correspondence received since the last meeting.
- 165/18 Councillors Reports**
 Cllr Albion raised concern about the footpath in Princes Street. CCC have been out to take a look and classed it as a class 1 but it still has not been sorted. He also asked if there could be bell ringing on remembrance day.

Cllr Pitts raised concern about the fire Hydrants being silted up. He will speak to the fire service regarding this.

At 9.40pm the clerk advised she had to leave and will not stay past half past 9pm to listen to nothing that is relevant to the meeting.

The meeting was closed.

Rule 6 Group (Kirkby Windfarm Inquiry) Update to PCs September 14th 2018

Dear Council,

Following the letter/email to your Council from Mike Mcpherson (Chair of Kirkby Parish Council), I have need to update you. There has been an extraordinary response. Support was registered immediately and thanks to the generosity of Parish Councils, individuals and environmental organisations 75% of the target figure of £7,300 was reached within 7 days.

The Rule 6 Group and its advocate, Geoff Sinclair, are currently preparing, as is South Lakeland District Council, to fight the appeal lodged by the London-based, Zephyr Investments. Dismissal of the appeal in January 2019 will almost certainly bring to an end further applications to build windfarms in the setting of the Lake District National Park and will send a strong message to those windfarms with temporary permissions that already border the Lake District.

As a group we have recently discovered a vital reason why we have to be successful in having SLDC's decision legally upheld - if the decision is overturned on appeal and Zephyr then apply to "repower" i.e. erect much bigger turbines, the importance of the local community's views on an application to repower is considerably diluted. You will remember how objectionable the planned repower of 2016 with its monster turbines was to this district. Zephyr Investments are already manoeuvring legally with the Inspector to have the views of the Parish Councils downgraded in importance for this inquiry; so to help ourselves and SLDC, as Parish Councils we must stand tall. In summary, if the appeal in January is not dismissed the door is open again to larger turbines.

In the short term and for many years into the future it is crucial that the appeal is dismissed in order to return to and preserve natural landscapes in the setting of the National Park. This is something of a test case and interested communities around the country will be following events and the outcome closely. Several previously uninvolved Parish Councils have recently joined the Rule 6 Group and we anticipate others will come on board. We urge you to register your support for the Rule 6 Group as soon as possible. Working together for a common cause our communities can be very effective.

Donations are still needed, no matter how small, whether from individuals, organisations or Parish Councils. If the target figure happens to be exceeded, donations will be returned proportionally at the conclusion of the inquiry. If you have already registered your support or made a donation, or both, thank you. We are attaching a simple form on which Parish Councils can register their support. If you wish to also make a contribution (to date, pledges from Parish Councils have ranged between 100 and 500 pounds) complete the form and return it to Veronica Johnstone - email: roni.johnstone@hotmail.co.uk) and request details for payment.

Yours sincerely, John Hudson (Treasurer, Kirkby Moor Protectors)

Subject: Meeting with Community Payback on Monday 3 September 2018

Hi all,

Selwyn and I met Roger Scanlon at the Victory Hall to inspect and agree a scope of work.

We, Duddon Parish Council, are the "beneficiaries" in the jargon. This will create a file for us that we can add further jobs to in future. Hint.

They work Tuesday to Sunday. Weekend get ones who work during the week - so some tradesmen may attend then and may be better quality of work. S and I agreed weekend working is possible. 4-8 people come with a supervisor. They wear high vis. They bring packed lunch. They cannot wander off. They have tools for different work - however may ask us for extra extended poles for rollers - see if they mention it.

They need:

To know when they can work - a schedule of bookings they can work around - eg outside when hall occupied. Can agree with supervisor when for next couple of days.

Copy of our Public Liability Insurance - eg if a slate falls off onto one of them. **Action on us.**

Safety Data Sheets for any materials they use - the paint. Preferably water based paints - easier to write a safety assessment. **Action on us.** Who can get these? - available from suppliers.

The scope.

Outside - Clear weeds and vegetation on 4 sides of the Victory Hall. Deposit in builders sacks - I have 8 or so - **Action us** to dispose of the full sacks to recycling. This will include clearing around sets at front and notice boards guano.

Outside - Paint the walls. They can only be 1 metre off the ground on steps. However they can use extended poles and rollers. So should get to the roofline BUT **Action on us** for cutting in and around windows etc where ladders are needed. Post meeting I talked with the garage owners and a little weeding by the telephone box and forecourt would be welcome.

Note. **Action on us** to powerwash before they come if we want to.

Outside - clear the east gutter. Can only do to the end of the ramp - the rest is too high. **Action on us** to clear the rest and decide what to do with the pool table and dustbin lids someone has put there. Opportunity for community involvement. Post meeting note: it has a gutter leaf guard to keep the debris out so will not be as bad as it looks.

Inside - Main hall. Up to the top of the columns/edge of the cloister. **Action on us** to apply masking tape across the walls at a matching height - a little above the hatches. Ditto at the stage end.

Thats all for now. More can be added. Either talk with supervisor eg Rankin Room kitchen may be possible if 2 supervisors come on a day.

Future work. Foxfield road from Sylvana to the Doctors may be possible. Ditto work in the Park, around the toilets, allotments and Donky Rocks. Gary? Speak with supervisors and arrange or set up as follow on jobs. I did not ask about further afield but it may be possible. Let us see how this goes. Consider clearing footpath from end Foxfield Road to the station/level crossing. Consider bus shelters. Consider Keppelwray hill. Consider clearing the Square of leaves. Consider saplings. Consider any of our land.

When?

Roger will work up a quote and send it to Elaine. No idea at the moment, possibly October maybe later. Depends on what is on the books now.

Cost

£50 a day for the team. He will probably estimate this as around 6 days. Say, with extending roller poles, maybe £400. **Action on us** to decide funding.

Publicity and Community Support

They would greatly welcome any. Especially people tlling to the team telling them how much it is appreciated and a good job (if it is). So pictures, social media and Parish Pump or wider.

That is all I can remember. It strikes me that:

it is a good deal.

- ✶ there are opportunities for many jobs in the future.
 - ✶ it needs a link person for this job and follow on ones. Not necessarily the same person.
- Volunteers?
- ✶ it is an opportunity to involve the community in the bit they cannot complete.

Agenda item? - ideally the management committee of the Victory Hall should do this, scope for community involvement?

Graham

Subject: Lake District National Park Extension
Attachments: National Park - Take Away - for final review.pdf

There was a meeting of the parish councils from Silecroft to Grange on 11 September. Jay, Gary, Jos and I attended for Duddon. The CEO of the Friends of the Lake District (FoLD), the chairman of LDNPA and the Director of Sustainability something for LDNPA were there to present and answer questions. The basic message is that here is a once in a lifetime opportunity, Government is undertaking a review, it may/may not be quicker than previous extensions - if we want to explore it. A rough search area was outlined. We were asked to:

1. Take information back to our PCs, discuss and seek a mandate to explore the case for an extension.
2. Nominate representatives to a Southern Border Partnership
3. Bring issues, concerns and opportunities to the first meeting on 18 October.

I attach a handout we were given. Some of the usual concerns were raised at the meeting:
 Farming subsidies - may very well be more opportunities post-Brexit inside a Park, and much less outside.

Second Homes/Holiday homes - new developments can be 100% controlled, but not existing.
 Being investigated.

Planning restrictions - mobile, private and commercial, not as restrictive as hearsay suggests
 Expansion opportunities and issues - increase in footfall, but associated traffic

A programme would extend to mid 2019 - post local elections - and include education for Parish Councillors about the differences in and out of the Park, a working through the issues and opportunities, proper consultation with the residents. In the background FoLD would prepare the technical work for any application to extend.

I can get a digital copy of the presentation if anyone wants it.

Can we have an agenda item? Covering points 1,2 and 3 above.

Graham

TAKE-AWAY - SUMMARY OF KEY POINTS - SOUTHERN BORDER REVIEW - LAKE DISTRICT NATIONAL PARK

September 18 Meeting - Grizebeck
Community Hall

Why Now?

- A government review announced by Mr Gove, Secretary State for the Environment in January 18 stated: "The Government will commission a review for the 21st Century. This will consider coverage of designations, how designated areas deliver their responsibilities, how designated areas are financed, and whether there is scope for expansion. It will also consider opportunities to enhance the environment in existing designations, and expand on the existing eight -point plan for National Parks to connect more people with the natural environment".
- Community Support - community involvement and engagement is critical to build a credible case for an extension.
- Partnership working with Friends of the Lake District – the Friends are already committed to working with Parish Councils and our communities. They have the skills to undertake a technical assessment of the boundary and they bring a strong track record of success and experience to support the case for an extension.

What is the impact of designation on everyday life?

Many people wonder what difference living in a national park might make. For 95% of the time, for residents and/or those working in the area, being in a national park does not affect their daily lives and very little changes when land becomes designated as National Park. The great majority of the state's powers and functions continue unaffected

What is a technical assessment of the Boundary?

The Government body responsible for England's finest landscape is Natural England and it has the duty in law to designate, or vary the designation of National Parks and Areas of Outstanding Natural Beauty. It does this by means of submitting orders to the Minister for Rural Affairs. In drawing up National Park or Area of Outstanding Natural Beauty boundaries, evidence will be submitted taking account of the following issues:

- a) Areas of high landscape quality.
- b) Areas may be of differing landscape character: quality being the key determinant rather than uniformity.
- c) Areas which provide, or are capable of providing a markedly superior recreational experience (National Parks only).
- d) Boundaries should include land and settlements which contribute to the rural economy, community life and special qualities of the area.
- e) Wherever possible, an easily distinguishable physical boundary should be chosen, e.g. roads and railways.
- f) Where local government boundaries follow suitable lines, it may be administratively convenient to adopt them. In the majority of cases, however, they will be unsuitable.
- g) Towns or villages should not normally be cut in two by a boundary: inclusion or exclusion should normally depend on their contribution as a whole to the character and purpose of the designation
- h) Unsightly development on the edge of a designated area should generally be excluded, although the possibility of its modification or screening should not be overlooked where the immediate surrounding country claims inclusion.
- i) Land allocated in adopted development plans as to be worked for quarrying and mining of important deposits on the margins of a National Park should normally be excluded, unless the land will be restored to a land use quality which contributes to National Park purposes. This approach will also apply to major industrial and commercial developments for which land is allocated in adopted development plans at the time of designation.
- j) Features of scientific, historic or architectural value (e.g. nature reserves, important archaeological sites and ancient monuments) which are situated on the margins of a National Park should be included where practicable.
- k) The boundary should not be regarded as a sharp barrier between areas of differing quality. In most situations there will be a transition of landscape quality and recreational experience across a sweep of land: the boundary chosen should be an easily identifiable feature within this transit

DUDDON PARISH COUNCIL
EQUAL OPPORTUNITIES POLICY

Adopted by Full Council on

Introduction

The aim of this policy is to communicate the commitment of the Parish Council, its Members and Clerk to the promotion of equality and diversity in relation to Parish Council.

Statement of intent

Duddon Parish Council is opposed to all forms of unlawful and unfair discrimination.

Everyone will be treated fairly and will not be discriminated against on the grounds of: gender, including gender reassignment; marital or civil partnership status; having or not having dependants; religious belief or political opinion; race (including colour, nationality, ethnic or national origins); disability; sexual orientation; age.

Duddon Parish Council recognises that the provision of equal opportunities in the community is good practice.

Duddon Parish Council is committed to:

- promoting equality of opportunity for all persons, and ensuring that people are treated solely on the basis of their abilities and potential;
- promoting a culture that respects and values differences, and that promotes equality and fairness to all in the community;
- ensuring that all decisions about recruitment and selection of staff are made objectively and without unlawful discrimination;
- fulfilling its legal obligations under equality legislation and associated codes of practice;
- taking an inclusive approach to providing access to our services and facilities for as wide a range of people as possible, acknowledging that there may be some circumstances where particular provision may be necessary for people with certain disabilities Implementation.

The Chairman has specific responsibility for the effective implementation of this policy.

Monitoring and reviewing the effectiveness of our equal opportunities policy will take place annually, and any action required taken as necessary.

This policy is fully supported by all Members of Duddon Parish Council.

CALL FOR NOMINATIONS FOR THE CALC EXECUTIVE COMMITTEE 2018

Direct elections to the CALC Executive Committee take place every three years, with the next taking place in 2019. However, one of the members elected in 2016, Councillor Jill Hay, sadly and unexpectedly passed away in August. This has resulted in a casual vacancy on the Committee, to be filled by direct election at the 2018 AGM in November. The person elected will serve for the remainder of the normal term of office, i.e. until the 2019 AGM, but will of course be eligible to stand for a further three year term at that time. Membership of the Executive Committee is an opportunity for members to help shape the way CALC works and supports member councils.

Why become a member of the CALC Executive Committee?

It's an opportunity to help the Association influence some of the important issues affecting Cumbria's communities – local housing, transport, planning, policing, devolution etc, as well as helping in the task of developing the role of town and parish councils in Cumbria and running the Association itself.

The Executive Committee

Under our constitution the Association's affairs are managed by an Executive Committee that consists of the Honorary Officers (President, Vice Presidents and Treasurer elected by the General Meeting), the Chairman and one other representative from each District Association (elected by the District Associations) and five other members elected by the General Meeting. The Committee usually meets four times a year in Penrith on a Saturday morning, starting at 10.00 am. Travel expenses are paid. Time spent representing the Association on other bodies would be in addition to this but is voluntary.

The attached nomination form is for the filling of one casual vacancy. The election will take place at the AGM to be held on Saturday 10th November 2018. Both councillors and officers are eligible for election. Election will be for the remainder of the normal three year term of office.

The Role of Executive Committee Members

The Executive Committee's general role is to manage the Association's affairs and to pursue the implementation of the Association's policies. Members of the Committee have the opportunity to volunteer to 'lead' on a particular area of interest and, where appropriate, represent the Association on an outside body. CALC now represents its member councils on a wide range of influential regional, Cumbria and local bodies and has ready access to senior policy makers. The Executive Committee will want to use our representatives to maximum effect with the support of CALC's Chief Officer and other officers.
