## MEET PEADAR

he's a volunteer car driver for  
North West Ambulance Service

"I was diagnosed with cancer in 2018 and after many surgeries and visits to the hospital, I worried how I would get myself home. The Patient Transport Service quickly stepped in and took care of me. Now I'm a volunteer driver, giving back to people that gave so much to me."

Your NHS needs your help more than ever! Become a volunteer car driver and **support thousands of patients** get to and from important hospital appointments.

Keep busy while doing something meaningful

No experience required. Training is provided

Use your own car and be reimbursed for your miles and expenses
